HSI is currently investigating the electronic media and documents for evidence of possible violations of immigration and customs laws enforced by HSI. The media and/or the documents may contain evidence related to unauthorized access of classified documents, the unauthorized transportation of such documents into and out of the United States and/or the release of such documents. As such, we are requesting your investigative and technical assistance in analyzing the enclosed electronic media and documentation.

With regard to your review, HSI requests notification of your findings as soon as possible. If your analysis, to be conducted within a reasonable timeframe, does not reveal any potential violations, please destroy the data on the electronic media and advise HSI of this action.
